

# Install guide for the WaterVue bundle deal

How to connect the WaterVue bathroom TV to the WaterVue music system.

Step 1.  
Locate the master speaker.

Step 2.  
Locate the RCA cable and connect the red and white cable to the Audio out of the WaterVue Bathroom TV.

Step 3.  
Connect the AUX cable to the AUX in on the back of the WaterVue speakers then using the WaterVue remote provided with the speakers, switch the speakers on and press the AUX button.
